

Please refer students and parents for CYS Family mediation (it's free). We need 50 to 75 families to participate. You can email the student's counselor with their name and ID number. Please inform the student and parent that you are referring them for mediation. CYS will assess the situation and refer out to counseling for other issues as needed (anger management, substance abuse, etc.) and at the same time continue with mediations.

- Sessions will be here at Leuzinger during Saturday school.
- Parents and students will each get a \$25 Target gift for each survey (3) that they complete (up to \$150 total per family).
